

## **Michigan's State Planning Project for the Uninsured**

### **CHARGES FROM HRSA GRANT RELATIVE TO:**

#### **KEY INFORMANT INTERVIEWS**

**Early, 2006**

- Used to reach both policymakers, including key legislators, as well as major employers that did not participate in the employers survey or focus groups.
- The interviews will:
  - Assess the attitudes of key stakeholders regarding the possible components of a state plan to expand health insurance coverage
  - Provide insight into potential paths for policy creation
  - Provide information to help develop policy paths that will make it possible to maximize large employers' participation in the state plan.
- There will be 15 key informant interviews of 30 to 40 minutes.
